

Advanced Hands-On TMS Symposium Online Course Outline

[Clinical Efficacy of TMS in the Treatment of Depression](#) - Mark Demitrack, MD

[Interventional Neuropsychiatry: Modulation of Affective Circuitry](#) - Nolan Williams, MD

[TMS Technology and Coil Design](#) - Ian Cook, MD

[TMS Safety and Side Effect Management](#) - Philip Janicak, MD

[Comparative Efficacy of TMS and ECT](#) - Philip Janicak, MD

[Panel Discussion: Day 1](#) - Ian Cook, MD; Richard A Bermudes, MD; Philip Janicak, MD; Mark Demitrack, MD; and Karl Lanocha, MD

[The Role of TMS in Therapeutic Neuromodulation in Psychiatry](#) - Mark George, MD

[TMS Patient Selection and Management](#) - Karl Lanocha, MD

[Measurement Based Care in TMS Practice](#) - Shawn McClintock, PhD, MSCS

[Coding and Documentation](#) - Richard Bermudes, MD

[Panel Discussion: Day 2](#) - Richard A Bermudes, MD; Ian Cook, MD; Karl Lanocha, MD; Mark George, MD; and Shawn McClintock, PhD, MSCS

[Practical Administration of TMS in a Clinical Setting](#) - Shawn McClintock, PhD, MSCS

[TMS in the Treatment of Psychiatric Disorders Other than Major Depression](#) - Paul Holtzheimer, MD

[Emerging Neuromodulation Technologies](#) - Ian Cook, MD

[Panel Discussion: Day 3](#) - Ian Cook, MD; Karl Lanocha, MD; Paul Holtzheimer, MD; and Mark George, MD
